Relief came almost immediately, and in a short time a permanent cure resulted." No other medicine compares with it as a sure and quick cure for coughs and colds. Sunday Evening's Lecture.

Elder N. U. S. C. Jensen of the Granite Stake delivered an able discourse at the ward hall Sunday evening on the subject "Truth of the Christian Religion." The attendance was good. The lecture was under the auspice of the M. I. Assn. and the officers of the associations, the bishopric and traveling missionaries occupied seats in front. The singing was congregational under the direction of F. D. Weiling.

President A. H. Archibald presided. Singing "What was Witnessed in the Heavens." Prayer by Bp W. L. Grover. Singing "O Say what is Truth."

Elder Jensen devoted the first part of his lecture to the divinity of Jesus Christ and his mission. He gave convincing proof that Christ was a man of exceptionally strong intellect and that he was not a deceiver nor an imposter. The speaker also dwelt on the teachings of Christ and the Gospel of love.

In conclusion he gave the young folks some splendid counsel and encouraged all to live the religion taught by our Redeemer. Elder Jensen was given a vote of thanks and an invitation was extended to him to visit us again.

Beet Record.

Some sugar beet records from the Garland, (Boxelder County) district: H. L. Steed, Corinne, acres planted 55, average per acre 18.8; D. W. Hunsaker, Honeyville, 28, 18.21; Geo. C. Peck, Fielding, 24, 19.41; J. T. Bigler, Riverside, 22, 18.64; O. Jensen, Honeyville, 38, 18.94; Merrell Salt Co., Brigham, 25, 18.97; James Nelson, Jr., Thatcher, 30, 21.94; M. Hall, Jr., Garland, 22, 18.84; Ralph C. Richards, Riverdale 28 1/2, 18.69; J. P. Holmgren, Bear River City, 67, 17.75; J. M. Hews, Elwood, 23, 21.81; Beet Growing Association, Garland, 104, 18.23.

Land in Boxelder County has advanced from 10 to 50 per cent in value during the past five years, due principally to the sugar beet industry. In Cache County, the great increase in the value of the land can be traced directly to the erection of two large beet factories. In Weber County the beet factory and canneries have greatly enhanced the value of the land since 1900.—Deseret Farmer.

Sunday Services.

The regular afternoon services held last Sunday were presided over by Bp. W. L. Grover. The choir sang "Come Come Ye Saints." Prayer by Cephus Anderson. Singing "On the Mountain Tops Appearing." The sacrament was administered by Elders T. E. Secrist and Peter Boss.

We would be pleased to have our readers, and the public generally, send in such items of news as may come under their observation, such as births, deaths, marriages, goings and comings, etc. Many things transpire that we may overlook, hence we ask you to assist us in this matter that we may be able to publish ALL the news.

The Grip.

"Before we can sympathize with others, we must have suffered ourselves." No one can realize the suffering attendant upon an attack of grip, unless he has had the actual experience. There is probably no disease that causes so much physical and mental agony, or which so successfully defies medical aid. All danger from the grip, however, may be avoided by the prompt use of Chamberlain's Cough Remedy. Among the tens of thousands who have used this remedy, not one case as ever been reported that has resulted in pneumonia or that has not recovered. For sale by Ritter Bros. Drug Co.

RAFFLED.

Two Phonographs, a Pair of Indian Gloves, and Four Quarters of Beef Change Hands by Chance.

Last Friday evening at the Boothe Mer. and Prod. Co., their large disc phonograph was raffled, James Homer, holding No. 97, being the lucky winner. The numbers from 1 to 100 which were sold at from 1c to \$1.00, were drawn from a hat, the last one out being the winner. Considerable enthusiasm was manifested when there were but three numbers left in the hat. Mr. Homer offered his chance for 20c, it is stated, just before the last three numbers were drawn. No. 66, held by Wilford Stevenson, was the next to the last number drawn and No. 59, held by George Clark was third to last out. The phonograph was valued at \$45.

Saturday at noon Eph Coombs, manager of the Garland Club Saloon, began the sale of chances on his large disc phonograph and Monday the chances were all taken and the phonograph raffled Monday night. The numbers were sold just the same as at Boothe's (1c to \$1.00.) Manager Coombs, who held 11 chances, was the winner, securing the phonograph with No. 76, which was the last number drawn. J. M. Austin came within one of getting the machine. J. W. Lewis acted as judge.

At the Owens' Meat Market the same night four quarters of beef were raffled off at 50c a chance. Twenty four chances were sold, ten on the front quarters and fourteen on the hind quarters. Tom Godfrey and O. Barnard both won hind quarters and Wright Evans and S. C. Allen were awarded the front quarters. Mr. Allen disposed of his portion to O. Barnard.

A fine pair of ornamental Indian Gloves valued at \$5, were also raffled Monday night at the Club Saloon, H. Boyd being the lucky winner.

Won the Wager.

It happened a few days ago. Manager Owens of the Owens' Meat Market offered to give a box of cigars to Garrett and Mortensen if they could dress three beavers in an hour and if they failed they agreed to do the same by Owens. Eph Coombs was time keeper. At the expiration of 55 minutes the beavers were dressed and now Mortensen and Garrett are smoking fine Havanas at Owens' expense.

New Committee Named.

At the special ward choir practice Sunday afternoon the old amusement committee was released and a new committee appointed. Following are members of the new committee: W. H. Crandall, F. D. Weiling, J. J. Shumway, J. A. Wixom, Mrs. Jos. Jensen, Mrs. P. A. Nordquist, and Mrs. W. J. Fife. Committee met Tuesday and arranged for a grand social to be given at the hall Friday evening Feb. 1st.

It's a pleasure to tell our readers about a cough cure like Dr. Shoop's. For years Dr. Shoop has fought against the use of opium, chloroform, or other unsafe ingredients commonly found in cough remedies. Dr. Shoop, it seems, has welcomed the Pure Food and Drug Law recently enacted, for he has worked along similar lines many years. For nearly 20 years Dr. Shoop's Cough Cure containers have had a warning printed on them against opium and other narcotic poisons. He has thus made it possible for mothers to protect their children by simply insisting on having Dr. Shoop's Cough Cure. Sold by all dealers. 19
